What Makes A High School?

West Hall of the Main Building

Is it the grace and charm woven into its mortar and bricks by skilled craftsmen? Is it the walls which surround the rooms and corridors we call home for the greater part of our working day? Is it, in short . . .

. . . Sports?

Our work at school is not all classwork. There are many things we learn by actual participation in the multitudinous activities which constantly go on beyond the classroom door, activities such as are pictured on these two pages.

There are inter-school sports and intra-mural school sports, national assemblies and school assemblies, formal and informal dances, junior plays and senior plays and plays for the sake of playing . . . No, classes are not the only means by which we learn.

Suppose We Settle The Question By Seeing What Makes OUR High School

The Old Library Building

The Science Building

A few more glimpses at our physical plant on this page and then we move to the other things which constitute a school. But we must realize—and it almost goes without saying — that a school starts being a school when it has the buildings necessary to maintain itself. This is the physical foundation of any worthy high school.

The Logical Move Is Then To The People Who Own The High School

East Into Glendale Avenue

These, the citizens of the Glendale High School district, the heart of which is Glendale, Arizona, are the people who support, maintain, and actually own the high school through their payment of taxes and through their interest and their encouragement. They are as much a part of GUHS as the buildings.

The Members of

The Board of Education . . .

. . . Are Selected From The People

Mr. C. E. McDonald, President

These are the men who, at their community's summons, have responded unselfishly to the call of duty. They, serving with no reward save a knowledge that they are doing a necessary job well, are a striking example of democracy in action.

From the top down: Mr. John DeBolt, Mr. J. E. Herriott, Mr. Sam Joy, Dr. R. K. Trueblood.

And Our Principal,
Robert W. Ashe . . .

. . . Is Chosen By The School Board

Three years have gone by since Robert Ashe first took over the helm at GUHS. The freshmen who came with him, entering their senior year now, have seen notable improvements and undertakings carried out in the expansion of Glendale High School under his guidance. Business man, supervisor, friend—constantly on the go, yet never too busy to stop and discuss a new idea—this is the man who has made GUHS an 'A' school in over-all quality as well as in simply enrollment.

A BRICK WALL—a solid foundation for learning and experience—this to our minds is what the faculty constitutes. On them—on their friendship and knowledge, their advice and interest in us—we shape and mold our lives. The structure we build will stand long because of its firm base.

Betty Gilbert, secretary; Mrs. Imes, adviser; Perry Yamamoto; Don Holly; Eddie Sine; Isabelle Pendergast.

The Student Council, revised and enlarged to include more representatives as shown in the activties section, is a strong link between administration and student body. It represents the idea of government by the governed, in action.

To Keep It Going

Glendale High is fortunate to possess six capable, conscientious men as its maintenance and bus-driving crew. Headed by Mr. D. L. Van Camp who sets the tone and the pace, the custodial staff is made up of a bunch of "swell fellows".

THE CAFETERIA STAFF

Makes The High School Happy
And Give Us The Fuel For Work

"An army travels on its stomach" and the army of students and faculty at GUHS is no exception. The excellent staff of workers in the cafeteria, headed by Mrs. Fugate, sees that we eat balanced and healthful hot lunches daily.

The Cafeteria Staff

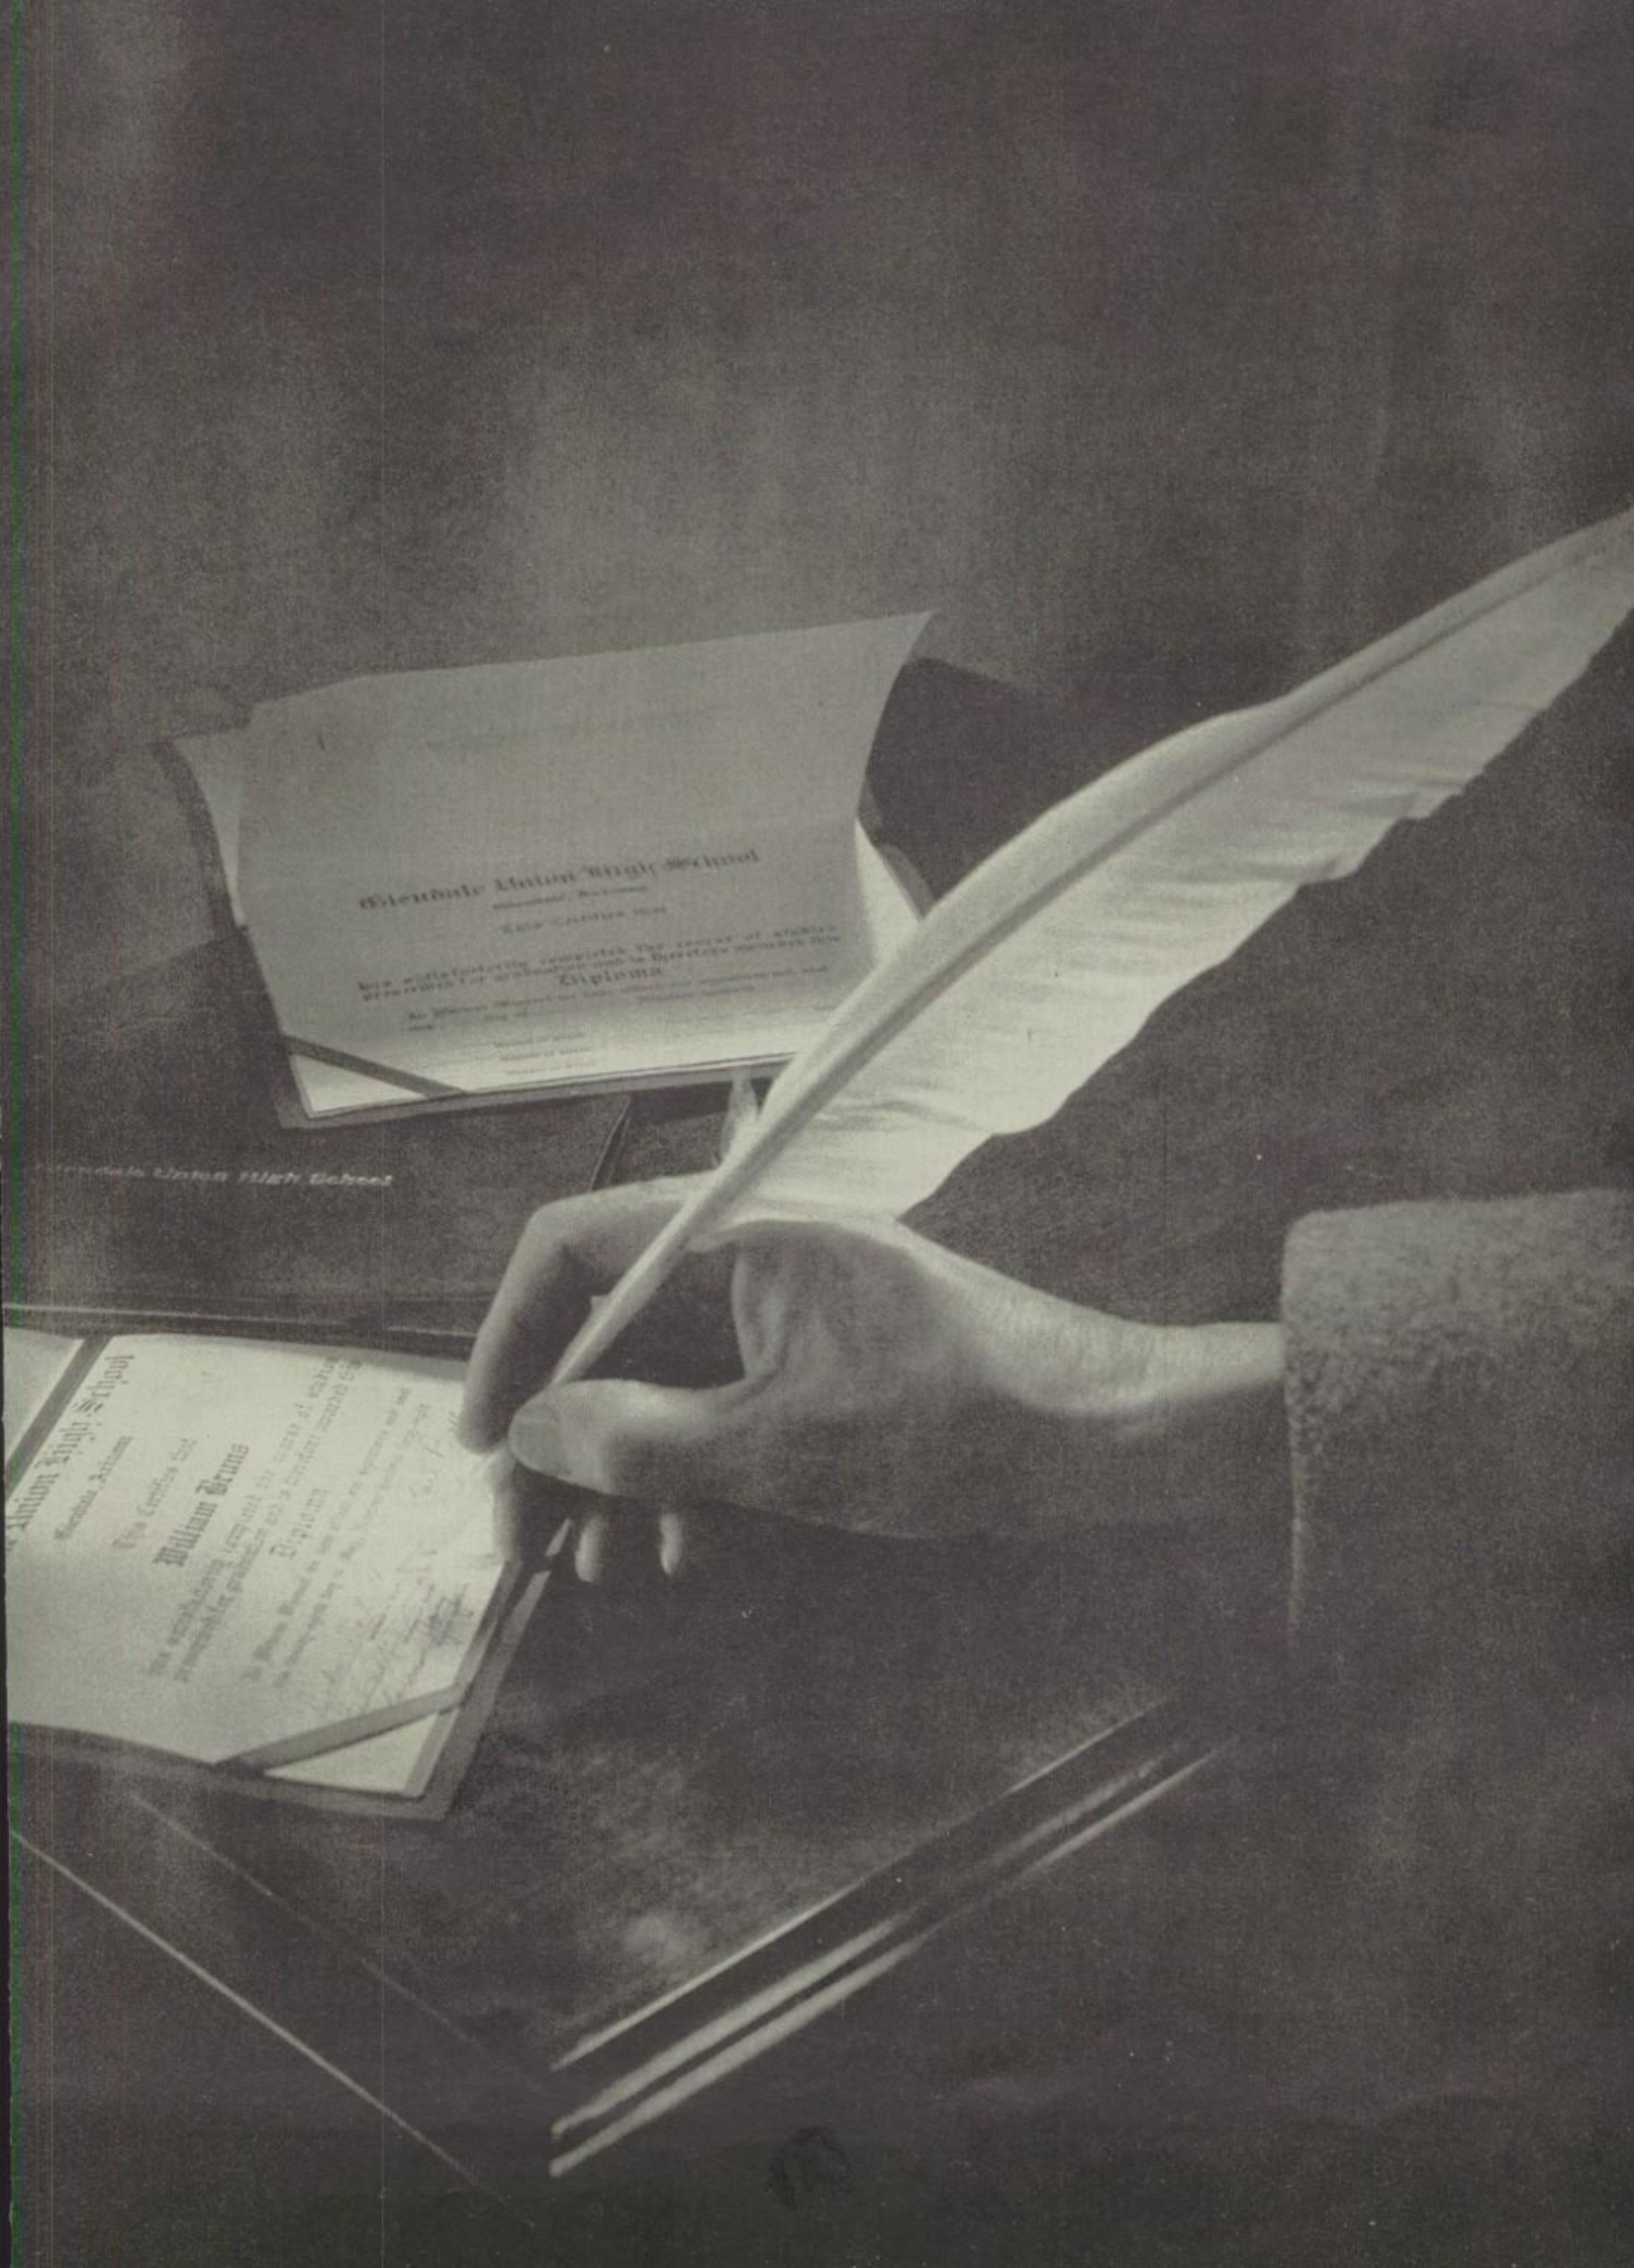
Mrs. Fugate—Dietitian

The New Cafeteria Building

The new cafeteria — supplying a long-felt want at Glendale High — has proved a definite success in its first year of operation. Furnishing nourishing lunches at a surprisingly low cost, the cafeteria is self-supoprting, with federal aid, and serves an average of 300 pupils daily in two lunch shifts.

CLASSES

THE SENIOR CLASS



Diploma

The Lords And Masters Of GUHS

Can you imagine a high school—any high school—without the mighty senior class? Without its seniors, the school would lose much of its driving force. For the seniors are the ones who set the pace. Here at GUHS we've been blessed this year with a forward-looking, constructively-thinking group of graduates-to-be. The young men and women of this group have been loyal to the school, untiring in working for its benefit, and eager to set an example of good citizenship for the underclassmen. How well they've succeeded is evidenced by their achievements this year and all the years they've been here.

THE OFFICERS OF THE SENIOR CLASS FOR THE YEAR 1948-49 were chosen by a democratic vote of their fellow-students. And their classmates chose well. They've led the class in all of its fine work and, pictured below, they take a while out to relax. From left to right, they are: Harold Fugate, president; Martha Nelson, secretary; Bobbie Inman, treasurer; and Pete Gorraiz, vice-president.

And The Class Of '50 Passes In Review

THE GUHS JUNIORS

These are the juniors, who have worked along with the other three classes for the betterment of their school.

In spite of all the work of money raising that always adds to the worries of a class, parties and picnics have found their way into the less busy moments of the already overcrowded days of the juniors, who are now destined to make their place the top one as an essential part of our high school.

The sponsors who did such a grand job in ushering them through their third year were Mrs. Hewette and Mr. Branson.

The junior class was fortunate to have elected good, capable (and, in three cases, pretty) officers. They are, left to right, Marian Schurter, treasurer, Shirley Cloud, secretary; Patsy Jarrell, vice-president; and Jerry Barker, president .

Sophomores, The Spice Of GUHS

Loaded with the self-assurance gained by a year spent within the halls of Glendale High, the Sophomore class once more proved that it was capable of good things in both study and extra-curricular activities. Glendale looks for real leadership and ability as these Sophs come into their junior and senior years—and, from all indications, the school will not be disappointed. We've called them the spice of GUHS; that "spice" business holds true in any high school. The Sophomores are the ones who make life really interesting around here—especially for the Freshmen. They're a hard bunch to beat, and we wish them luck as they pass over the hump into the higher classes.

You couldn't ask for better leadership than the Sophomores have gotten from the officers pictured below. Left to right, they are Duane Hellam, president; Don Beall, vice-president; Joanne Beaver, treasurer; and Buddy Eto, secretary. These are the people in whom the class democratically put its trust. And the class wasn't let down.

Freshmen, The Class Of 1952

Some folks figure they're just kids; but, having seen them around, the people at GUHS realize that the Freshman class is due to leave a deep impression as it spends the next three years in this school. A bunch of good sports, the Frosh took their knocks from the upperclassmen at the beginning of the year and then settled down to show the oldsters what they could do. Whatever they did, they did well; but they really shone in scholastic ability. And their light was almost equally as bright in athletics. We're glad they're with us and will be around for a while. We think this is a better school because of the caliber of the class of 1952. More power to these fine guys and girls—and watch them go places.

At the beginning of the year the Freshman class chose to be led by the officers shown below. Right to left, they are Helen Tang, president; Carroll McAllister, vice-president; Pat Adams, secretary; and Bob Warren, treasurer. They're good-looking, but, more important, they're good leaders.

Scoring the surprise of the year, the freshmen easily win the annual tug-of-war with the sophomore class

The Last Of The Class Of 1952 – Formally –
But More Of Them Later In The Activities Section

Dedication

During her twenty years of service at GUHS in the English department, working faithfully and constantly with principals McRuer, Yeoman and Ashe, Mrs. Sara H. Clardy has seen her students grow up and go into many professions. It is for her unselfish love of the pupils of this school that we feel this dedication should come in the section that it does.

Some of her former students are doctors, lawyers, ministers—and one is now the principal of Glendale High. Many of these people have returned to GUHS to tell Mrs. Clardy how much she has contributed to their success.

After serving for so long a time, it is small wonder that Mrs. Clardy says, "Some of these people around town seem as if they are my own children." And, in return, all those who learned English from this warmhearted, sincere teacher have a special regard for her.

So, for her help given unstintingly to all who were in need of it, and for her cosmopolitan, yet democratic, attitude toward life, and for her steadfast devotion to the school and those in it,

We Dedicate This Book To

Mrs. Sara Hutchins Clardy

Mrs. Clardy has done noble work in giving of her time outside of class to help students and other persons. For her work in Americanization, she was awarded a trip to Japan in 1937. Her service to the community extends far deeper than most people realize, and many of our citizens have Mrs. Clardy to thank for their well-being.

ACTIVITIES

ALL AROUND THE CAMPUS

The Photography Club

A new society on the G U H S roster of clubs is the Photography Club. The club was organized February 10, 1949, in the photography class, and is sponsored by Mr. M. A. Boss. It is composed of seventeen ambitious sophomores, juniors and seniors.

The objectives of the club are to sponsor photography and to help sponsor the annual. Members will take pictures of all school sports and activities and, possibly, they plan to have at least one photography contest in which all students may participate.

To be a member of the club one must have one semester of photography. Some students who are advanced amateur photographers may be admitted to the club upon application and approval by two-thirds vote of the members. The club membership is limited due to the small darkroom at present.

The Y-Teens have completed their second successful year as one of the newest clubs in school.

This club, sponsored by Miss Muriel Dawson, has twenty-eight members composed of freshmen, sophomores, juniors, and seniors.

The activities of the club were: A tea-dance for the faculty members and officers of all clubs, night meetings, Hi-Y and Y-Teens socials, and a white elephant sale.

The Y-Teens Club, a sister organization to the Hi-Y, has co-operated closely in trying to fulfill the purpose of their groups—to build Christian character.

Although this club had only a few members, great interest in the organization accounted for its very successful year.

An Organization Devoted To High Ideals

HOMECOMING — 1948!

Mr. Sine is greeted by the reception line as he enters the cafeteria for the first annual Homecoming Banquet. In the line are, left to right, Mr. Renick, Mrs. Renick, Miss Smith, Mr. Van Camp, and Mrs. Van Camp. Also in the line, but not shown in the picture, was Mr. Robert Ashe, graduate of 1931.

"Do you Remember?" exclaimed over and over during the evening, expressed the attitude of the returning grads at the first annual Homecoming held at the high school, Friday evening, November 19, 1948.

Old annuals, pictures and trophies brought back memories of great times held at GUHS in the years since 1912 when Glendale Hi first opened her doors.

Starting off with a banquet in the cafeteria, the grads were impressed by clippings of the first baseball games held at Glendale and one of the first two diplomas which were presented to the library by Mr. A. Truman Helm, the first student to graduate here.

The band and the marching squad carry a huge poster proclaiming Homecoming Day in a spec parade uptown, as shown in the left picture below. On the right, Mr. Ashe very nonchalan puts his little foot out as he escorts Margie Beaver about the floor during the Harvest Dance.

Barbara Frost and Pete Gorraiz crown the Harvest King and Queen, Charley Nelson and Jane Bradford. Members of the court are, left to right, Betty Owens, Leon Hutchison, Everal Shahan, Dorothy Schmoker, Leo Treguboff, and Eddie Hallmark.

Mr. Truman Helm, graduate of 1914, points out his name on the first diploma issued by Glendale Union High School. Looking on are Mr. Carl Betts and Mr. Ashe, in front of a display of old school scenes.

Following the banquet the grads went to an assembly where the classes were presented. Some persons came as far as from San Diego especially for Homecoming.

Next came a tour of the grounds in which the extent of the old-grads' reminiscences can be measured by their exclamations as they entered the old, old chemistry lab, and pointed out the spot where they had exploded a stink bomb during their sojourn at GUHS.

The evening ended with a football game with St. Mary's and the annual Harvest Dance.

Officers of the Pep Club are, left to right, Billie Gibson, treasurer; Shirley Cooper, president; Mrs. Martin, adviser; Arlene Van Laar, vice-president; and Helen Tolmachoff, secretary.

The Salad Bowl Parade

A COLORFUL EVENT FOR A GOOD CAUSE

And The Chorus

HI LIGHTS

Dedicated to Serving the Students of Glendale High School

Headed by editor-in-chief Harold Fugate, and with its finances handled by Jim Blasdell and Evelyn Woods (a girl whom all of the staff and the adviser are deeply grateful), Cardinal Hi-Lights hit a new high in popularity this year. Its bold, bright makeup featured many large pictures of school activities and its stories were easily read and in the best traditions of journalism. Many new features, such as the series on twins, were instituted this year and proved popular. The editorial policy of the paper remained, as always, constructive instead of destructive criticism.

Above, Sports Editor Jim Lind, Managing Editor Jackie DeBolt, Editor Harold Fugate, and Associate Editor Jane Bradford.

The senior journalism class: first row, Harold Fugate, Jackie DeBolt, Jane Bradford, Jim Lind. Second row, Richard Wherley, Evelyn Woods, Janet Bennett, Charlotte Sutton, Barbara Frost, Harold Lundberg. Back row, Dorothy Smith, Gloria Koory, Jim Blasdell, Richard Mabrey.

The junior journalism class: Dwayne Lee, Paul Treguboff, Billie Gibson, Shirley Cloud, Jane Gilbert, Genny Furrey, Barbara Meinhold, Tom Cash, George Ridge, Jack Mitchell, Gretchen McMillan, and George Hicks.

First row, Chris Steelman, Jo An Newcomb, Jackie DeBolt, Harold Fugate, Jim Lind. Second row, Louise Cromwell, Betty Owens, Evelyn Woods, Jim Blasdell. Third row, Carol Jackson, Gay Murray, Jane Bradford, Sunny Wilson, Gloria Koory, Janet Bennett, and—not pictured—Wanda Dearman, all labored like beavers to make possible

The 1949 *Cardinal*

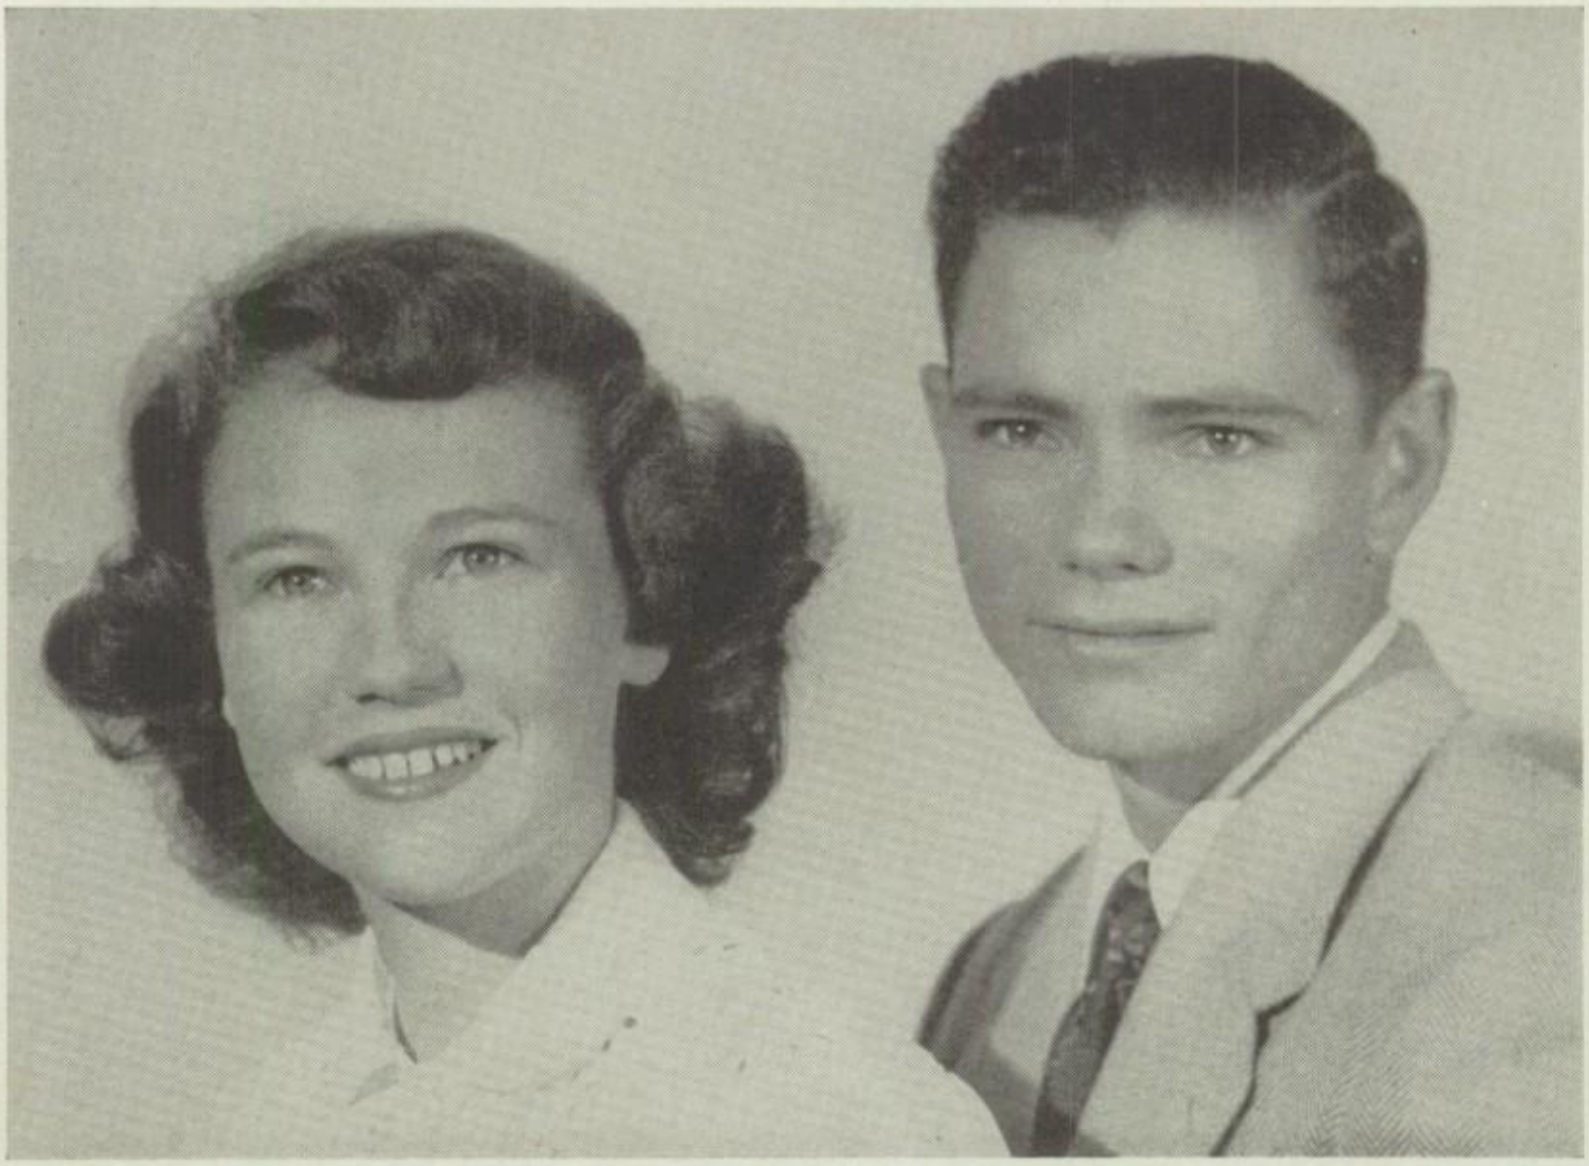
On the right, Jim Blasdell and Evelyn Woods, business manager and advertising manager, respectively, of both Hi-Lights and the annual, were responsible for the financial success of both publications. To them goes a world of credit for new ideas, long hours of hard work, constant worry, and patience with adversity. Thanks, Jim and Ev.

Publications Take Combined Efforts

Editor Jane Bradford

A newspaper or an annual is not a single-person enterprise. When the final copy of Hi-Lights rolls off the press, when the last 1949 Cardinal is autographed, there is not just one person who breathes a sigh of relief. For the past year, both newspaper and annual have been a cooperative enterprise of many people. The owner of every face you see in these pages has worked and worked hard and worked unselfishly to see that the students of GUHS had the best of publication possible. To these kids who valued worthy achievement more than leisure should go a thoughtful thanks from the school.

The Cardinal King And Queen



Margie Beaver and Pete Gorraiz

By a majority vote of the student body, Pete Gorraiz and Margie Beaver were elected Cardinal King and Queen for the year 1949. Pete and Margie were chosen on the basis of scholarship, leadership, and service. Pete was active in the Hi-Y Club, the senior class, and athletics. Margie was active in Girls League, Pep Club, and athletics. Both students are immensely popular with their fellow students because of their pleasing personalities and interest in all activities within the school.

This new system of government was instituted in order to give the students more equal representation in their own government. The student members elected from each class attended the weekly meetings and then reported back to the class for discussion and opinions.

The Story Of The 1948 Season

Dropping their game to Phoenix Union, the strongest team in the state, 40 to 6, the Glendale Cardinals started the 1948 season, highlight of which was a national record in number of passes thrown and passes completed.

Taking Prescott into camp in the first game away from home, the Cards won their only victory, 25-12. From then on they fell before the other teams on their schedule, with the exception of Globe whom they outplayed all the way, but with whom they managed only to gain a 6-6 tie.

Scores for the rest of the season were:

North High	35	to	12
Amphitheater	26	to	7
Yuma	19	to	13
Mesa	24	to	13
Tempe	52	to	19
Tucson	65	to	6
Saint Mary's	19	to	0

Outweighed forty and fifty pounds in the line and in the backfield in every game and without the services of a breakaway runner of any kind, the scrappy Cardinals, lightest team in the state, played with everything they had all season.

Even when the opposing team was three or four touchdowns ahead the Cards never quit. They played all the harder, always keeping the spark of hope, that they would have a victory, alive.

Coach Gieseke said at the end, "We may not have won the games—but there's no finer bunch of boys in the state for their size and speed. I'm proud of them." And GUHS was proud of them, too.

Coach Gieseke talks over a fine point of the game with Robert Aja, Toru Tanita, Roy Patterson, Bob Pichnarcik, Buddy Meinholt, Johnny Warfel, and Pete Phillips.

Football is a rugged, tough, thankless grind. When you win, you're heroes; when you lose, you're bums. Glendale High acknowledges gratefully that its team never stopped fighting, that they tried with all they had, and that they carried the GUHS colors with honor.

The Glendale Junior Varsity

The Glendale High JV and frosh football teams established impressive records in the 1948 season and are looked upon to supply the varsity with an above-average crop of stars in the coming years. The JV's won eight games while tieing one and losing four. They were particularly strong in the backfield and boasted an excellent passing and running attack. The frosh were strong both on the line and behind it. They had a record of six wins, two losses and one tie. Many of their points were scored by a top-flight passing offense, but the ground game was also to be reckoned with.

The Glendale Freshman Squad

Members of the frosh football squad were first row, left to right: Herman Smith (Mgr.), Eldred Terry, Albert Downard, Jack Friedman, Max Green, Robert Alcorn, Woody Clark, Mark Calhoun, Barkley Eavns, Gene Hutchison, Coach Whatley. Second row: Thomas Downard (Mgr.), Charlie Hallmark, Gerald Sandarg, Bernard Hill, Joe Anduaga, Roy Teraski, Ray Baker, Buddy Gray, Dean Hines, Bobby Barnes. Third row: Bobby Crouch, Onessimo Aro, Bob Warren, Harry Thornton, Don Holley, Raymond Hoopes, Alex Tolmachoff, Alfred Ybarra, Jimmy Coughlin.

Center right, Joe Trueba stretches over Ishmael Mohamed. Lower left, Tom Cash and Jerry Jones wait for Coach Whatley to toss the ball. Lower right, which twin has the Toni?—The Phillipses, Joe and Jay.

Glendale's varsity basketball squad completed a season of constant improvement. They split in overall play, winning ten and losing as many, while taking seventh place in Class A standings with a three and ten record.

The year's high spot was the 37-35 upset defeat of Phoenix Union in Phoenix. The highly rated Coyotes barely managed to slip past the Cards 36-35 in the return tilt.

In the Class A tournament, the Cards lost to the Badgers of Tucson and then to the Prescott Badgers and so were eliminated.

The GUHS Junior Varsity Hoopsters

Although they had to take a backseat to the frosh squad which racked up a record number of consecutive wins, the junior varsity, coached by Mr. Bill Saban, experienced an excellent season, winning fifteen and losing only five. Coach Gieseke's freshman charges set a new school record by toppling twenty opponents in a row, after losing the first three games. Both squads gave promise that Glendale High could look for good basketball for years to come, if the boys round into varsity shape as they are expected to do. The coaches declined to name outstanding stars, stating that the teams played well as a whole and the entire squads were outstanding enough.

The Freshman Record-Setting Team

Freshmen, left to right, front row: Mel Endsley, mgr., Honeyboy Evans, Woody Clark, Ed Butler, Coach Gieseke. Second row: Gerald Sandarg, Joe Anduaga, Jesse Moreno, Dave Jensen, Terry Gyger, and Eldred Terry. Third row: Jesus Leon, Bernard Hill, Charlie Hallmark, Harry Thorton, and Walter Popoff.

The Varsity

As the 1949 Cardinal went to press, it was still too early to tell how Coach Bob Crouch's charges would come out, although prior to this time they had a very satisfying 8-6 win over Mesa. The boys were a little weak in hitting but the coach thought that he had a pretty good all-around defensive squad. They aimed to get to the Class A Tournament in Tucson—we hope they did.

The hide-whackers for the varsity, front row, left to right: George Ridge, mgr., Duane Hellam, Glenn Hickman, Jack Sing, Frank Scott. Second row: Ishmael Mohamed, Ed Butler, Lonnie Woods, Manuel Acedo, Tom Tomooka, Bob Warren, Don Holley. Third row: Coach Crouch, Joe Phillips, Eddie Sine, Roy Patterson, Don Brown, Ken Okabe, Jim Brown.

BASEBALL

The Jayvee baseballers, first row, left to right: R. Agillar, John Boyd, Alex Tolmachoff, Johnny Gamboa, E. Sandarg. Second row: Bill Vestal, Herman Smith, Jim Laughran, J. Greathouse, John Campbell. Third row: Coach Stewart, Chester Caparatti, Buddy Gray, Lee Anderosn, R. Lyson, Bombo Oro, Terry Gyger, Jesse Moreno, mgr.

The Jayvees

With several of his freshmen serving on the varsity, Coach W. W. Stewart still managed to field a good Jayvee squad which won its share of games. The boys picked up the experience which may make them varsity players next year in rapid fashion; and, with a few games under their belts, they played like veterans.

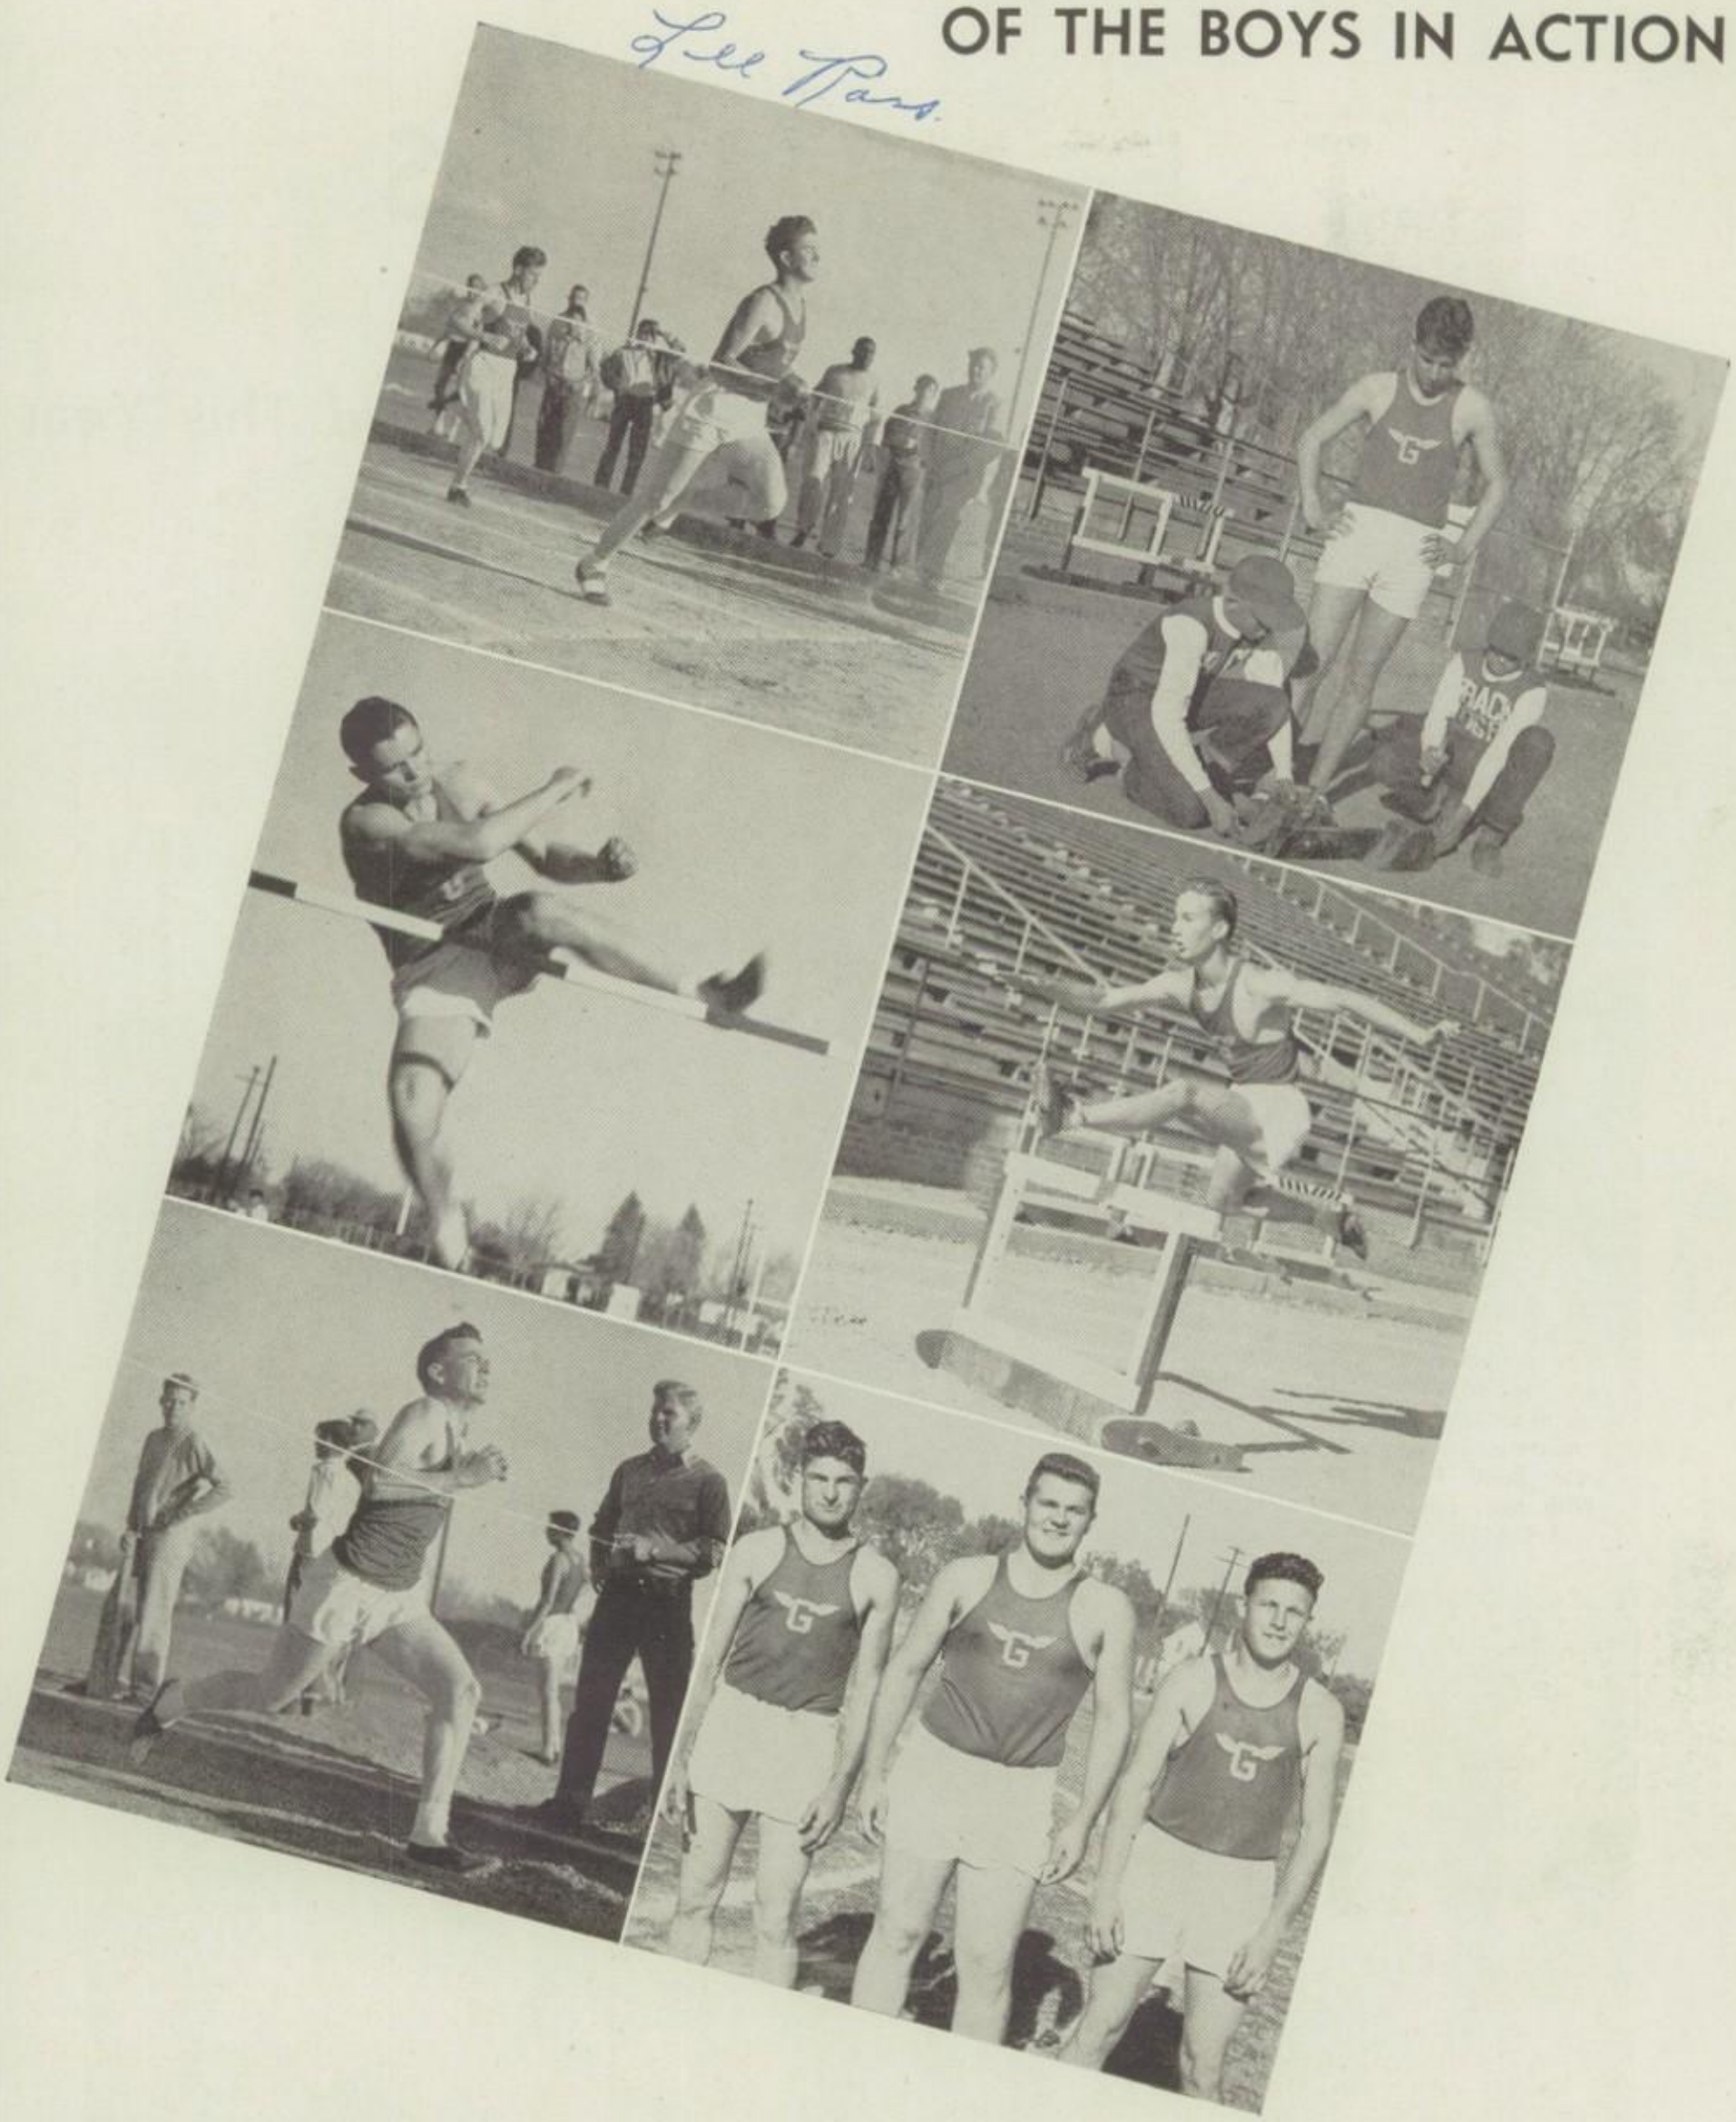
T-R-A-C-K!

The GUHS Varsity Track Squad, front row, left to right, Harlan Ward, Leon Hutchison, Jim Robinson, Johnny Warfel, Dan Tolmachoff, Pete Gorraiz, David Kenly. Second row: Lee Ross, Sam Joy, Bill Shaw, Leonard Bice, Jim Blasdell, Charley Pichnarcik, Dwaine Paxton. Third row: Charley Nelson, Harold Lundberg, Harold Fugate, Harold Gatley, Joe Speckner, Bill Corbin, Coach Stangeland.

The JV squad consisted of, front row, left to right: Rice, Manning, Hoover, Jensen, Williams, and Bob Smith. Second row: Hyatt, Ashinhurst, Popoff, Hallmark, Evans, Bill Smith, E. Hutchison, and McCutcheon. Third row: Green, Onodera, Lewis, S. Smith, M. Tolmachoff, J. Stewart, and Primose. Fourth row: Beall, Fraley, Thornton, Guevas, Reedley, Anduaga and P. Treguboff. Fifth row: Erikson, Barnes, Cloud, Hill, L. Treguboff, Eto, Donahue, Bowers, and Baldwin. Sixth row: Jones, Calhoun, and Lopez.

Starting with a host of lettermen developed under the expert management of Coach Gieseke, Coach Jim Stangeland rounded the boys into winning form again — and kept them winning. Coach Stangeland did everything in his power to make track popular, and he succeeded. The meets, as is traditional at GUHS, were well organized and the school was let in on the intricacies of the sport. Such names as Sam Joy, Bill Shaw, Leonard Bice and Leon Hutchison were written into the record books as track and school marks were lowered by these and other stars. At the state events, Glendale High was a school of which to be afraid—if you were an opponent.

A SERIES OF SCENES OF THE BOYS IN ACTION



Upper left, Lee Ross breaks the tape as he wins the 440. Upper right, Harold Gatley looks on as managers Tracey and Jones hammer the starting blocks in. Center left, Pete Gorraiz sails over the high jump. Center right, Brilliant Bill Shaw wins another low hurdles race. Lower left, Bill Corbin hits the tape ahead of the field. Lower right, three weight men—Dwaine Paxton, "Tiny" Lundberg, and Dan Tolmachoff.

GIRLS' SPORTS

Coach Martin

Under the skilled hand of Coach Clyda Jean Martin, the Girls at GUHS enjoy and derive benefits from many different sports. Inter-class tournaments and Physical Ed. class tournaments throughout the year are the highlights of a program designed to have all girls participate.

DECK TENNIS ACES

Deck tennis, one of the major sports in the Girls' PE class program this year, went well, with great enthusiasm shown by the many participants.

Tournaments, which were run off between the PE classes as well as between classes, were climaxed with the champions named at the close of the season, after much practice and hard work.

AND VOLLEYBALL STARS

Volleyball, as always before, was very popular at Glendale Union High School this year, when the girls ran off the annual PE and class tournaments.

The GAA for the first time, sponsored a lettermen, all star, and faculty tournament to add variety to the season.

The Cream Of The Basketball Crop

The girls PE classes, in the interclass and PE class tournaments, had a good season of basketball, with each class fighting hard for the championship.

These girls, under the direction of Coach Martin, not only learned the fundamentals of the sport but learned good sportsmanship as well as getting actual playing experience.

And The Tops In Other Girls' Sports At GUHS

Included in this year's girls' sports program were badminton, tennis, and table tennis.

Tournaments were run off in all three sports among the PE classes. Several Glendale High School girls participated in the state badminton tournament at Tempe College.

These sports, which are enjoyed each spring at GUHS, were especially popular this year due somewhat to the increased interest in the tennis team.

THE STAFF OF CARDINAL HI-LIGHTS

Admission Is Child's Gift

● **The GUHS Christmas Formal** will be presented in the gym on December 23, with "Winter Wonderland as its theme. Admission is one gift per couple, the gift to be given to under-privileged children.

The theme will be carried out in red, green and white decorations. Red and green decorations will be on the tables, which will be white and match the color of the ceiling. Adding to the Christmas spirit will be wreaths and bells hung around the wall.

The gift, which will serve as an admission, will be sent to the children's home in Tucson. These gifts will be placed around a large Christmas tree in the center of the gymnasium. Those attending are urged to specify whether the gift is for a boy or a girl.

The chairmen are as follows: Billie Mae Douglas, entrance; Dorothy Smith, wreaths; Evelyn Woods, ceiling; Barbara Molidor, decorations of tables; Ernest Gunnell, tree; Richard Steiner, band stand; Wanda Dearman and Betty Shouse, refreshments, and Margie Beaver, programs.

Also: David Lewis, advertising; Isabell Pendergast, gifts; and Jackie DeBolt, general chairman.

Christmas Program To Be Given Twice For Students, Parents

● **The annual Christmas program** has been scheduled for Tuesday, December 21, at 8:15 for parents, and Thursday in an assembly, for students, according to Mrs. Lale, instructor.

The program will begin with ten songs by the Glee Club, which will be directed by Mr. Albert Davis.

Then the play, "The Boy on the Meadow," will be presented.

The cast will consist of the following students: Joyce Leach as Frau Marta Kraut, the mother; Beverly Frost as the grandmother, and Eileen Burns as an orphan. Nina Loney will play Mina Kraut, and Bobby McCulley, Dort Kraut.

Mr. Van Camp and Mr. Hefflefinger are responsible for the scenery, and James Belk, Beverly Wilson and Roy Loney are stage manager, property caretaker, and electrician, respectively.

The prompter will be Betty Shouse and the advertising will be handled by Muriel Dawson and James Phillips.

The program will conclude with community carol singing.

Glee Club Will Air Programs

● **The Glendale High School** Glee Club will go on the air with two special programs given on Christmas day over stations KRUX and KOY for 30 minutes and 15 minutes, respectively.

The chorus of 96 boys and girls, directed by Mr. Al Davis, started practice for the programs the week of December 5.

The programs will feature the chorus singing "I Have Heard the Bells on Christmas Day" with Janet Bennett and Alvie Yates doing the solos. Richard Mabrey and Jackie DeBolt will sing a solo, "Ave Maria" and "Gesu Bambino," respectively.

Ernestine Mooney and JoAnne Schlosser will sing, accompanied by the chorus, solos in "Oh Holy Night," written by Adams.

Other numbers are, "Carol of the Bells," by Renger; "Legend of the Bells," by Rhodes, and "Legend of Christmas," by Tschaikowsky.

The program over KRUX is narrated by Richard Wherley, a member of the chorus.

Girls' League Finds Talent

● **The Girls' League had a min**iature talent show Thursday, December 9, during the regular club period, for all girls.

Doris Still won first prize and the Girls' League Scream Contract to Hollywood. All other contestants were awarded Girls' League Glamour Gum.

Participating in the talent show were Doris Still, who sang a solo; Connie Scott, a solo; Mary Haulot, a piano solo, and Helen Kajimura, who did an oriental dance. Girls' League Glamour Gum com-

Paint Creates Odd Faces

● **Many people at GUHS were** shocked, week before last, to see persons resembling Orientals, old hags, pink faced people, and even a drunk Indian going around the compus.

No, the Mars residents hadn't landed. It was only the members of Mr. Nelson's dramatics class on their way to get their makeup removed.

The students were required to buy kits for the study of stage make-up, and to make each other up in class.

Most of the "paint-slingers" started to make a person up as one thing, but ended up by making them up as something quite different.

Tom Dewey mustaches and John L. Lewis eyebrows seemed to be the favorites.

Pep Club To Enforce Rules

BACKSLIDING BLAMED FOR NEW MOVE

● **Strict enforcement of Pep** Club rules went into effect December 10, at the Mesa basketball game, since many of the girls have not followed the requirements, according to Mrs. Martin.

Girls will be required to wear their uniforms at all functions which Pep Club attends as a group. This includes games at home and away. They will also be required to wear their uniforms to school every Friday during basketball season.

Pep Club will meet on the west side of the gym before the junior varsity game and roll will be taken.

Grades will be checked every six weeks and members will be dropped from the club if they do not have a semester average of a three with no grade lower than a four.

When club members are dropped they may rejoin only at the beginning of a new semester by application and acceptance by the nominating committee and Pep Club.

A membership committee has been appointed by the Pep Club president, Shirley Cooper, to discuss applications for membership submitted to the club.

Fifteen girls will be voted on at the next Pep Club meeting.

IMPORTANT NOTICE

● **There will be no more** schedule changes made, except upon the request of the teacher or teachers who desire the change to be made.

This does not mean that the change will be made if the teachers can be persuaded to consent to it. The suggestion for the change must come from the teacher desiring it, not the student.

HI-Y CLUB IS ACTIVE

● **The Hi-Y club held its regu**lar monthly meeting last night, ending its pre-Christmas activities.

The general theme for the past month has been "Understanding the Other Fellow's Faith;" and, in conjunction with this, the club has visited three different churches to see for themselves the main differences.

During the evening the club saw two short movies and heard a short talk outlining the different points on which to base its judgment of the churches.

Following these the group entered into a general debate on the different ways the churches are conducted.

The organization is now trying to find some way to raise money in order to complete the amount it pledged to give to the World Youth Fund.

ASC Fraternity To Give Award

● **The Blue Key Honor Frater**nity of Arizona State Colleg at Tempe, is offering a scholarship to the outstanding senior boy in high school.

This fraternity is organized so the boys may help out with all school activities. About twenty boys are members of the Blue Key Fraternity.

In order to be eligible, the senior must be taking part in most activities at school and maintain an average of a two grade. Mr. Asch will be in charge of selecting a boy to win this award.

The scholarship will offer a full time job four hours a day and guarantee of board and room.

Girls' Letter Club Will Reorganize

● **The Girls' Letter Club of GUHS will hold a reorganization** meeting in the near future to elect officers and plan the year's activities. The club has been inactive this year due to the lack of membership.

The following six girls have earned their school letters and have been voted on by the G. A. A. Council: Shirley Christy, Shirley Lousialot, Akiko Kuhara, Shirley Cloud, Billie Gibson, Marion Schurter.

Other members of the club are Jane Bradford, Betty Gilbert and Jackie Allen.

Civics Classes Will Use New, Old Techniques In Studying Water

● **The newest and the oldest** techniques of education will be used in his civics classes to familiarize the students with the complex problems involved in the Colorado River Water Controversy, according to Mr. Koerner.

The Central Arizona Project Association will present a Kodachrome slide lecture, "Water or Else," and Mr. Barry Goldwater will show films of his trip through the Grand Canyon.

By means of wire recording, the students will hear the CBS feature programs, "Conquest of the Grand Canyon" and "The Last Water Hole."

The place of the river basin in the nation's economy will be demonstrated by the Coronet film, "The Mighty Colorado."

Following the classroom discussions, students will plan how they can make their views and knowledge known to friends and relatives in other states.

Juniors, Seniors To Take Tests

● **Mrs. Imes, in charge of the** testing program, will in the near future give juniors and seniors an opportunity to take the Kudera's Preference Record Test.

The Kudera's Test will indicate the students' interests along certain vocational lines, but the results of the test may not correspond with what the student wants to be.

Many freshmen will soon be given a Reading Compresension Test and a test on Mechanics of Expression.

We See It Like This

SILENT NIGHT

● On the Christmas Eve of 1818, far up in the Alpine mountains in the little town of Obendorf, Austria, Joseph Mohr, a devout young Austrian priest, sat in his study meditating. Still fresh in his mind was the conversation that afternoon he had had with his best friend, Franze Gruber, schoolmaster, and organist at the village church.

This subject had been discussed many times by the two friends, who were both great music lovers, and were destined to give to the world one of the most beautiful Christmas songs ever written. The perfect Christmas song has never yet been written, they said, but someday someone surely will write it.

This fact seemed to monopolize his every thought, and as he looked out over the snow-clad beauty of the mountain scene, his heart swelled, and the peacefulness of the night suddenly brought to his mind the peace and radiance of the first Christmas night, and the first Christmas tidings, "Jesus, the Saviour, is Born."

In that song, he found clear musical expression in the composition of the song he had so longed to write—the song which we have all come to know and love so well, "Silent Night."

The next day, in uncontrolled enthusiasm, he rushed to see his friend and show him the song. "Ah, friend Mohr, you have found it! The perfect Christmas song!" Gruber exclaimed. "God be praised!" The two set about composing the tune, and that night they presented it at their village church.

Afterwards, the people came to them with tears in their eyes to thank them for the beautiful song they had given them. The janitor at the church asked for the music, and he started the spread of the song, which is now sung all over the world at Christmas time. This song is a never-dying symbol of the reverence and joy felt by a Christian people at Christmastide.

Students Should Consider High School As Place To Better Themselves

● "Don't judge a book by it's cover" is not always taken to heart: so, all too often people judge a school by certain students.

Sad to say, the students who leave the most impression are the students who give the school a bad name.

There are a few such students at GUHS, as there are at all schools.

These people are the ones that throw paper all over the lawn.

They make noise at assemblies, ruin other people's property, make smart remarks about everything said in class, and mark all over the buildings.

The thing that most people remember about these people is the bad sportsmanship they show at games.

They raise a howl whether their team wins or loses. When the team wins they make fun of the other team. When the team loses they say the other team cheated and played dirty.

They do a lot of other things that leave bad impressions, and just go around acting like schmoes.

We think that if such people would try to mend their ways everyone would be a lot happier, and people would think of high schools as being places where only kind, considerate people are moulding their lives as good citizens.

THE LITERARY CORNER

Hi-Brow Stuff

By Gloria Koory

● Hello, everybody. Here's the GUHS talent writers' corner again with two poems. The first one is by Janet Bennett, a senior.

Christmas Prayer

Dear Lord, I know that somewhere
There is snow on Christmas eve.
Though I have not seen it,
I have heard—and I believe.

I know that trees on hilltops
Look like regal ladies there:
With robes of snow-white splendor,
And the stars to crown their hair.

I know that stars are clear and
Blue, and Christmas day is peace
For those who have not known as I—
The horror and disease.

The mangled sight of friends I knew,
I'm glad I have not seen.
In this, dear God, you've blessed me—
For blind since three I've been.

The war has taken all I owned
And all I e'r held dear.
Though Christmas is another land
Is peace: It is not here.

Dear Lord, help those who haven't seen
To see the truth some way:
That they who grumble daily are
The luckier—that they
Who live to see the stars on Christmas eve—
Who live in wonderland—
America. They send the hope
That those like I receive.

Let those, who have so much
They do not need, refrain
From coveting the useless things
(I have naught but pain).

And thank thee daily for their land
Where people can't conceive
Of Christmas without joy and light
And snow on Christmas eve.

The next piece is by Benita Porter, a GUHS freshman.

My Love

He did it again!
He snubbed me today.
He just goes along
In his own heartless way.
He pays me no heed
And he dates me not.
I guess I'll stay home
And just simply rot.
I know I'm not pretty,
Certainly not bright.
I'm not very witty.
My figure's not right.
But I have some love—
Too much for myself.
And I don't want to put it
Away on the shelf.
Please, Cupid, shoot
My man with a dart;
Then I will not write
Of my broken heart!

Lonnie Burchett

BY DOROTHY SMITH

● If anything goes wrong around the school, it's five to one, since there are five custodians, that Lonnie Burchett will be there to fix it; and when Lonnie fixes anything it is a safe bet that it will stay fixed.

Tall and thin, Lonnie is a versatile Jack - of - All - Trades. He looks like a stand-in for movie actor Robert Mitchum, the only difference being that Lonnie smokes tobacco.

Professor of a vocabulary like a mule skinner, Lonnie doesn't have to use it to quiet the kids on his bus run and make them behave themselves. They just stay quiet when he asks them to.

His fund of humorous stories is inexhaustible, and his favorite hobby is concocting practical jokes with Coach Gieseke to play on unfortunate journalism instructors.

Born in Locust Grove, Oklahoma, Lonnie came to Glendale in 1936. He has been employed at GUHS for the past three years and has become known for his friendly, carefree manner.

Cardinals Drop Carver; Face St. Mary's At P. C.

Redbirds Stage Last-Half Surge In Whipping Monarchs, 50-46

The Glendale Cards, under Coach Earl Gieseke, overcame a ten point deficit to down the Carver Monarchs 50-46, Saturday, in the GUHS gym.

In the first half Carver had the upper hand because of the Cards inability to find the range, although they controlled rebounds and kept possession of the ball for the most part.

Eddie Sine's sharpshooting pulled the Birds up to four points of the Monarchs at the end of the third counter.

Mo Mohamed and Roy Patterson combined to put the Cards in the lead, and a smart game of possession ball ate up time until the final seconds when Redd's desperation shot ripped the net.

Carver hit 19 of 64 shots for a .299 percentage, and 8 out of 24 free throws for a .333. Glendale had 21 of 78 for .269, and the charity average was 8 of 15 for .533.

Patterson led Glendale with 13 points, Sine had 12 and Mohamed had 11, six of them coming from the fourth quarter. Redd was high for Carver with 15, Willie Kemp counted 12.

The score by quarters was Carver 12-11, 27-20, and 39-35; Glendale 50-46 at the gun.

Sparked by Tommy Heatwole's 16 points in the first half the JV's dropped Carver 61 to 40.

Glendale Trips Panthers, 33-25

Jumping into an early lead, the Cardinals went on to defeat a hard-fighting Peoria quintet 33 to 25 on the Panther hardwood.

The Cards were very much off form, hitting only 15 of 71 shots for a percentage of .211. Several members of the squad were unable to find the range at all.

The ball handling was a big improvement, Glendale being able to control the ball for the greater part of the time.

Back board work has also improved with Jerry Lane, Tom Cash and Eddie Sine pulling off more than their share of rebounds. The defense was tight, holding Peoria to an average of six points a quarter.

Roy Patterson put the Redbirds into a quick lead in the initial period by scoring three baskets to make the score 6-5. Sine added two points and Mohamed one to give the Cards a 9-5 lead at the quarter.

The Birds hit six to the Panthers five points in the second frame to hold a 15-11 halftime edge.

Mohamed hit his stride in the thrid to lead the Cards to a 23-15 margin. He continued to pace the team against a tired Peoria bunch, with five points.

Mohamed was high for Glendale with 12 points. J. C. Simpson had 10 for peoria.

Yuma And Mesa Clip Cards On Home Courts

● **The Cards lost a heart-breaking** 40-39 decision to Yuma on the latter's floor, December 9.

They exhibited some improvement on backboard work, but still were ragged in that respect. The defensive work also wanted for attention.

Moe Mohamed led the Cards with 16 points; Patterson followed with 12. Jess Steen tallied 16 for the Criminals and Pete Segulja scored 13.

The Cards led at the end of the first canto, 7-6, but fell behind at the half, 25-19. Glendale pulled close in the third period, but the Rabbits, led by sharpshooting Duane Larson and the steady floor play of Masumi Ikeda, gradually pulled away to snare the victory.

Inexperience proved the Cards' downfall, but the rebound work showed a great improvement.

Larsen scored 22 points through the cords to win scoring honors for the evening, while Moe Mohamed, with 9, and Roy Patson with 7 led Whatley's lads.

SEEN FROM THE GIRLS' ANGLE

By Barbara Frost

● **Short fingernails are the** styles at GUHS especially for the girls, since deck tennis has started in the PE classes.

So far it is anyone's guess as to who will come out on top, since the tournaments are just getting under way.

The marching squads' second hour volleyball tournament is finished, with Beverly Frost's Raving Beauties first and Earline Smith's Bomberettes second.

After-school volleyball has the spotlight this week. The GAA girls get points toward their letters for participating in this tournament.

The seniors have entered two teams; the juniors, three teams; sophomores, two teams; and the freshmen lead with four teams.

If the teams continue to run as par, the tournament should end with the following results: juniors first; freshmen second, seniors third, and the sophomores fourth.

THE MOURNING AFTER

By George Ridge

● **Next year will probably see** a new member of the class "A" group. This will probably be Douglas who fielded a better than average team this year and held their own with class "A" opposition. Flagstaff may also surpass the 600 enrollment needed for a higher status.

If these two teams are added it would bring the number of Class "A" schools to a possible twelve—enough to divide the state into two conferences, the Northern and the Southern. At the end of the season instead of having a North-South game, the two strongest teams from the rival conferences could play for the State Championship.

This year the basketball tournaments will be worked on the class schedule. Class "A" teams will meet in Phoenix and "B" teams will play in Tucson.

A heavy favorite to take the upper bracket championship is Tucson which has speed, height and plenty of experience, as few of last year's team graduated. Class "B" is a toss-up between Tempe, Chandler and Ajo. My vote goes to Tempe who defeated Mesa, a strong contender in Class "A" basketball. Also opposing Tucson is North High which may gain needed experience during the season.

Prescott and Yuma were almost left out of the tournament when they failed to schedule 12 other "A" schools. After they discovered this ruling it wasn't long before they had the required number.

Tribute Paid To Card Managers

● **Have you ever wondered** where an athletic team would be without its managers? Those unsung heroes of the equipment rooms are as vital a part of the squad as any player.

In order that you may know these fellows better, here is a brief description of each who has worked this fall:

Harlan Ward—"Fearless" is a two-year letterman as manager in both football and track. Ward was Gieseke's right-hand man during the just concluded gridiron season.

David Kenly — Kenly was Ward's right-hand-man, handing out equipment.

Jimmy Primrose—"Penrod" is manager of varsity basketball this year. He came to Arizona last year in time to help with football.

Frank Jackson — Helped during football season, is again on hand for the cage sport.

Ralph Howell—"Red" is just getting his start in '48-'49 basketball, handling both frosh and junior-varsity basketball.

Cardinalettes' Varsity Drops Tight Game To Girl Crims

● **Girl athletics came into the** limelight Saturday, December 11, as the freshman and varsity volleyball teams equalled the showing turned in by the two boys basketball teams at Yuma.

Frosh Win

The frosh squad, captained by Norma Lindley, added another victory to its string of games won this year by defeating Yuma, 47 to 17. The starting lineup was Grace Yamoshiro, Norma Lindley, Irene Hernandez, Glenda Rowland, May Sagawa, Patsy Peabody, Linn Takesuye and Doris Polan. No substitutes traveled with the team to Yuma.

Varsity Edged

Glendale's varsity team came from behind a 12-7 halftime score to almost tie the Yuma squad. With only two seconds of playing time remaining, Glendale trailed by 2 points. Allen's serve was good and was followed by a long rally ending in a point for Glendale; but the game ended before another serve could be made and Glendale lost by one point 21 to 20.

Coach Comments

According to Miss Betty Nye, Yuma Coach, "I have never seen such team work on a volley ball court. My girls have learned a lesson in team play and were lucky to be able to win while doing it."

Glendale Players

Girls who played on Glendale's varsity team are: Arlene Van Laar, Suzanne Hyllested, Patsy Jarrell, Shirley Cloud, Billie Gibson, Norma Sexton, Barbara Frost, Clara Matsumato, Marion Schurter, Jackie Allen and Carolyn Northcross.

Deck Tourney Scheduled For December 13

● **The girls' physical education** classes have added another casualty to their list — broken fingernails. It happens when the girls try to catch the round rubber ring in deck tennis. They seem to break off as if by magic.

Deck Tennis

The deck tennis tournament starts December 13 in all classes. Coach Martin hopes to have it finished by the Christmas holidays.

Volleyball

The G. A. A. girls are at present in a volleyball tournament after school, which started December 8.

The teams are run by classes with the seniors having 2 teams, the juniors 3 teams, the sophomores 2 teams, and the frosh 4 teams. Each class has a manager who makes up the teams and says who will be captain of each team.

The managers are: for the seniors, Barbara Frost; juniors, Norma Sexton; sophomores, Caroline Northcross; freshmen, Patsy Peabody.

Over Twenty Baseball Hopefuls Begin Early Drills For '49 Squad

By Jack Mitchell

● **It seems funny that with the** cry of "make that basket" one should hear the sound of bat meeting horsehide. But remember baseball is not in the too-distant future, as can be observed in the 20-odd boys running about, working out kinks, and sharpening their batting eye on the reconditioned diamond west of the gym.

Several veterans of the baseball wars are back this year to carry the red and gold banner through what is hoped will be a successful season. These include Buddy Meinholdt, erstwhile third baseman; Glen Hickman, south-paw first baseman; Lonnie Woods, the diminutive second sacker; Jack Sing, rifle-armed shortstop; Don Brown, fire-ball pitcher; and Frank Scott, ever-hustling catcher.

A call is being issued by coach Stewart to all interested in this sport to come out for practice.

Locals To Meet Knight "5" At 2 P.M. Today

● **The Glendale Cardinals will** greet a weakened St. Mary's club on December 23 in a game in the on December 22, 2 p.m. in a game in the Phoenix College gym.

The St. Mary's squad has been cut from fifteen players to only eight by ineligibility and by some players dropping basketball. Little power has been shown by the Knights, who lost to North High by a lop-sided score and "smuck" past Carver and Tech by small margins. One of their main drawbacks is lack of height and failure to connect with the basket.

The Cards defeated Yuma and Prescott while losing to two strong class A teams, Mesa and Yuma. The GUHS games were marked by individual starring but the team lacked experience in ball handling.

St. Mary's team is built around Danny Seibert, a guard who has averaged 20 points a game so far The defense employed is the same as Glendale, man-to-man, and both teams have performed only fair under this setup.

Complete Cage Summary Listed

In the first five games of the season the Cardinal cagers have scored 208 points for an average of 41.6 a game.

They have held the opposition to 202 points, averaging 40.4 points per game.

The team has averaged 16.7 field goals per game and 8 charity tosses. The overall free throw record is 40 of 84 for a .476 percentage.

Roy Patterson has 55 points for individual scoring honors and Mo Mohamed is close behind him with 52.

English Classes Like Club

● **Everyday English classes are** not all dull classroom work but they mix club activities and speed reading with regular textbook work.

A week's schedule will start with a day of speed and comprehensive reading. Graphs are kept of each student's progress and the best ones are posted on the bulletin board for that week.

One day each week is observed as club day. Each class has its own club in which dues are collected. The money is used for parties, donated to organizations such as the community chest, CARE, or any other project the class decides on.

Both classes had a party at Hallowe'en and are planning another one at Christmas. Ice cream and cake were served at both.

BRAIN TWISTER

● **If the fellows around Glen**dale High think they have trouble with two on the string they should take a look at poor Louse's plight with Anne and Belle.

It seems that our hero lived on Thirty-Fourth street and Belle lived on Fourteenth. Anne lived on Forty-Second street.

Wishing to play no favorites as to which girl he would visit each day, he made up his mind to let fate decide. When he entered the subway at 34th street, where uptown trains pass on one side of the platform and downtown trains on the other, he would simply take the first train that came along. If it were an uptown train he went to see Anne; if it were a downtown train he went to see Belle.

You may assume that the uptown trains come in at regular ten minute intervals all through the day and night and that the downtown trains do the same, but the up and downtown trains do not come in at the same time.

John entered the subway station at all hours of the day and night, whenever the spirit moved him. Yet fate appeared to play him a strange trick, for after a while he found that he was visiting Anne many more times than Belle, in spite of the fact that he scrupulously followed the rule that he had set for himself—taking which ever train came in first. Can you explain this?

L'IL OKIE

● **A man was holding forth on** the shortcomings of the younger generation.

"Take clothes for instance," he said. "Look at that youngster over there, the one with short hair, a cigarette and breeches. What is it, a boy or girl?"

"It's a girl," was the reply; "she's my daughter."

"I beg your pardon, he apologized. "I wouldn't have said that if I had known that you were her father."

"I'm not. I'm her mother."

Pity the poor moth; he spends the summer in a fur coat and the winter in a bathing suit.

History Teacher: "Can you give me any well known date in Roman History?"

Pupil: "Yes, Anthony's date with Cleopatra."

John: "How did you meet your wife?"

Henry: "Oh, we met in a revolving door and started going around together."

A New York lad went to live in Texas. While in school one day the teacher asked him to tell her about the Alamo.

He replied, "That's pie with ice cream on it."

Teacher: "Do you like to work?"

Student: "I like to do nothing better."

Hey, Look! Jokes!

Mess Jackrabbit

Boy—"I never saw such dreamy eyes before."

Girl—"You've never stayed out so late before."

Tom: "I got 100 in commercial law test today."

Bill "Honest."

Tom: "No, the usual way."

Girls' Version

I think that I shall never see
A boy who quite appeals to me,
A boy who doesn't flirt and tease,
A boy who always tries to please,
A boy who keeps his shirt tail in,
A boy without a silly grin.
These fools are loved by girls like me,
But I think I prefer a tree.

Boy's Version

I think that I shall never see
A girl refuse a meal that's free.
A girl who doesn't ever wear
A lot of doo-dads in her hair;
Girls are loved by fools like me
'Cause who on earth could kiss a tree?

CLASS DISMISSED...

. . . for everyone but me!

Good ol' summer vacation! You forget about homework, get a job and earn some extra money, or just concentrate on having fun! At least you'll have a change.

But I never get a vacation. I'm on the job day and night — winter and summer — always REDDY to serve you. Guess I should envy you, but I don't! Nope, I'm happy with my job of making life happier, healthier and easier for folks.

And that's what makes the world go 'round — lots of folks sticking to their chosen jobs. I'm glad that my life is dedicated to giving better and better service at the lowest possible cost.

Hi Schmoe! Thanks for reserving this space for me. I, too, think you're one of the bests artists in G.U.H.S. You have made my stay here so much fun. I really think you have a personality that can't be beat, Even tho you get kinda mean sometimes. But then we can't all be sweet all the time like me. (Ha, Big joke) I'd Draw pretty pictures in here, but I can't draw. So you'll just have to be contented with these hyroglyphics.(sp) (As if they weren't more than enough.) Try to remember me as the gal who _____. (Oh, Never mind!) But no foolin', knowing you is something I'm glad I didn't miss. As you always say,

Love + kisses,

P.S. I still have all the notes you ever wrote me + will always keep them.
